Re: DT 00-223, Whether Certain Calls Are Local  
Extension of Time for Reporting

To the Parties:

On March 1, 2004, WorldCom, Inc. ("MCI") filed a request to extend until March 15<sup>th</sup> the deadline for filing its report on NXX use pursuant to Commission Order No. 24,218 (October 17, 2003). MCI contends that more time is required to research and gather the relevant information. On March 8, 2004, Staff filed a similar request on behalf of CLECs not on the service list in the instant docket. Staff represents that certain CLECs had not learned of the requirement until they received the annual report forms and require additional time to prepare their data. Staff proposes an extension to March 31, 2004, the due date for annual reports.

The Commission has determined that the requests are reasonable. Accordingly, the March 1<sup>st</sup> deadline for reporting current NXX assignments with supporting information has been extended to March 31, 2004.

Very truly yours,

Debra A. Howland  
Executive Director and Secretary
